Vital Strategies Healthy Food Policy Fellowship Application Form

DECLARATION:

I hereby declare that this application and all information submitted as part of this application is true and accurate to the best of my knowledge. I have read all the disclaimers below and I declare that I don't have any conflict of interest.

Date:

Important Notes

Award of this fellowship will be contingent upon:

- Final decision will be taken by the selection committee comprising experts in practice and research related to healthy food policies.
- Fellowship awards will not be approved until Vital Strategies receives the applicant's letter of acceptance to a Ph.D. program at a university that meets the program academic standards, and required legal documents (e.g. immigration documents, if any). Note: Applicants may apply for the fellowship prior to being accepted at an approved university if they are:
 - Considering pursuing a Ph.D. in one of the key research areas or
 - Are in the process of applying to an approved university

Fellowship Program Disclaimers

Sugary Drinks and Ultra-Processed Foods Affiliation: Fellowship applicants confirm that they do not have an affiliation with the sugary drinks or ultra-processed food industry, its agents or associates, and have not had such an affiliation in the two years prior to this application; and that they currently do not accept and shall not accept financial or other support from any sugary drinks or ultra-processed food product manufacturer or the parent, subsidiary, or affiliate of a sugary drinks or ultra-processed food product manufacturer until at least five years after the completion of education. Failure to comply with this clause will constitute grounds for terminating the Fellowship and require the return of any funds awarded under the Fellowship.

Tobacco Affiliation: Fellowship applicants confirm that they have not had any business relationship with or knowingly received payment or other support from any tobacco product manufacturer or wholesaler, or from any e-cigarette or vaping manufacturer or wholesaler ("These Industries"), or any parent, affiliate, subsidiary, organization, or foundation with majority support from These Industries, or any person, interest group, advocacy organization, or other business or organization (other than a law firm, advertising agency, or accounting firm) that represents the interests of the Tobacco Industry (collectively, "These Affiliates") in the past two years prior to their application. Fellowship applicants and nominators currently do not accept and shall not accept financial or other support from These Industries or These Affiliates until at least five years after the completion of education. Failure to comply with this clause will constitute grounds for terminating the Fellowship and require the return of any funds awarded under the Fellowship.

Non-Discrimination: Vital Strategies does not discriminate on the basis of race, age, religion/creed, color, national origin, sexual orientation, military or veteran status, sex/gender, gender identity, nonconformity, presentation or expression (including cisgender, transgender, non-binary or intersex status), sexual or reproductive health decisions, pregnancy (including childbirth and related medical conditions), domestic partnership status, caregiver status, alienage or citizen status, caregiver status, alienage or citizen status, disability, genetic information, familial status, marital status, or domestic violence victim status, arrest or conviction record, credit history, salary history, unemployment status, or any other basis protected by federal, state, or local laws. This nondiscrimination policy encompasses the operation of all its programs and activities, including this Fellowship.

Conflict of Interest: In the event that a potential conflict of interest arises during the Fellowship process, Vital Strategies commits to deal with each conflict of interest in as open and appropriate a way as possible.
